

## Monthly Violations Report December 2020

### MONTHLY SUMMARY OF ISRAELI VIOLATIONS

**01 December 2020 – 31 December 2020**

The following summary tables and overview of events survey hostile Israeli activities during the period 01 **December 2020** to 31 **December 2020**. The report includes a summary table of events, classified by type, throughout the West Bank and Gaza Strip, in addition to a comparative table surveying events over the past three months. The survey is compiled from the Daily Situation Reports of the Palestinian Monitoring Group (PMG) of the Negotiations Affairs Department (NAD) of the Palestine Liberation Organization (PLO). The PMG monitors ground conditions in the West Bank and Gaza Strip, including Israeli and Palestinian violations. The information reported through the PMG process represents data available at the time of distribution only.
